

This summer we are holding the first Connoisseur Tour fundraising event and I would love to have your support.

During the Connoisseur Tour guests will enjoy all of the luxuries a connoisseur would enjoy - exotic cuisine, delicious wine, and fine arts. The vineyards where the event will be located will transform into an outdoor art gallery with art hung among the vines. You'll also find 'en plein air' painters stationed along your stroll and live music will fill the air!

Your sponsorship directly benefits the work the Oxford Arts Alliance does throughout the year. Including, building the sense of community through hosting art exhibitions, lectures, workshops, films, music and art lessons, jam sessions and other events. We also foster programs which engage youth in the arts and culture. Our recently opened emerging artist gallery features monthly exhibits of local students or those just beginning their artistic careers. Lastly, your support helps provide free or discounted music lessons to students who may otherwise not be able to afford private lessons.

I look forward to learning more about your business and how our organization can work with you to further enhance this great community. I will follow up with a phone call or email next week to see if you have any questions.

Thanks again for your consideration.
