Join the Oxford Arts Alliance for a colorful morning of fun on the run! The Oxford Arts Alliance is a 501(c)(3) non-profit arts organization that strives to cultivate community through the arts! We understand the link between the creative mind and a healthy body. What better way to promote the arts and healthy living than through a family fun run with a splash of color? Our Cross Country Color 5K Run/1 Mile Walk presented by Elk Creek Veterinary Services is a heart-healthy fundraiser for all ages and abilities. The course is set throughout the rolling hills and farmland owned by Wilson King and Vicki Vinton of Outback Trading Company. All proceeds support our programming, including an emerging artist gallery and private music and art lessons for 150+ students weekly!

Our Cross Country Color 5K Run/1 Mile Walk was a roaring success in 2021, with over 60 participants, and we raised \$1,500 for our organization! This event will be untimed, encouraging people of all abilities to participate in this fun run. Runners and walkers can traverse the course at their leisure under a shower of vibrant, environmentally friendly, and non-toxic color from our volunteer-based color stations throughout the course! Our course will have three loops, allowing runners to loop three times while walkers can loop once to enjoy the color stations.
