

Campers Information Sheet and Registration

Please fill out this information sheet and read through everything thoroughly. For ease, please fill out separate forms for different children to ensure the camper is placed in the right camp.

Camp Policies:

1) All campers are expected to behave in an appropriate manner and to respectfully follow rules and instructions. Campers must be interested in participating in all activities. There will be no alternative activities provided to campers who wish not to participate. They will be dismissed accordingly. By enrolling in camp, the camper and the camper's parents acknowledge that good behavior is necessary and that any camper's failure to act accordingly may result in the camper being dismissed from the camp. The parents or legal guardians of any camper who is dismissed for disciplinary problems shall be responsible for picking up their camper or arranging appropriate transportation home for such camper.

2) The camper's parents, legal guardians, or authorized adults must drop off the camper between the time allowance listed. If an adult is early for drop off, they must wait until camp begins. If an adult is early for pick up, they must allow their camper to clean up until camp ends. There is zero tolerance for late drop offs or late pick ups. Refunds cannot be made during the Camp for inability to attend or last minute absences.

3) If the camper cannot attend a full week of camp we do not adjust pricing for individual circumstances, but we can transfer the camper to a different session if there is room in the Camp.

4) Campers are responsible for keeping their space clean during Camp and they are responsible for cleaning up the studio with the instructor before Camp dismisses. Campers are not excused to leave before the studio is cleaned up. Parents or legal guardians who are early to pick up the camper are expected to join cleaning or wait in their car.

5) The Oxford Arts Alliance and all other parties involved may not be trained in special needs accommodations, therefore we are not a special needs camp. We ask that the camper's parent or legal guardian provide any information that will ensure a good experience for the camper below and comply to all policies and clauses. If the camper has physical disabilities, we ask that the camper's parent or legal guardian request a visit of our camp location before registering the camper.
